Why Lexmark?

Founded from an IBM heritage in Lexington, Kentucky, in 1991, Lexmark is one of the few American companies to own, develop and market inkjet, laser and color laser print technologies. Lexmark is poised to deliver on its promise to produce quality, dependable products well into the future.

Lexmark CS796de highlights

Make a lasting impression with award-winning color.

The documents you print define an important image – yours. That's why Lexmark color lasers help businesses be more productive and stand out with vibrant color. With the ability to print professional quality color in-house, you can add instant impact and save costs by virtually eliminating the need to outsource print jobs. Lexmark also offers a host of color-access and control tools to manage cost.

Eco-responsible. Printing responsibly means everyone wins – your business, your budget and the environment. Lexmark's award-winning products are designed for ease of use, high quality output and reliable performance, with innovative capabilities that help you minimize the number of cartridges you use over the life of the printer and conserve paper and energy. Our goal is to design, package and deliver innovative products and solutions in an environmentally responsible manner.

The Lexmark Cartridge Collection Program is active around the world providing a variety of methods for free returns of your empties to Lexmark or our collection partners. Our goal: Make it easy to do the right thing.

Environmental protection is a shared responsibility.

Through our work with industry groups, Lexmark helps guide the formation of standards and guiding principles for environmental sustainability.

Our memberships include:

- AeA Europe
- American National Standards Institute (ANSI)
- Ecma International
- Electronics Industry Citizenship Coalition (EICC)
- European Information & Communications Technology Industry Association (EICTA)
- Information Technology Industry Council (ITI)
- ITI Environmental Leadership Council

Lexmark CS796de overview

Robust Color Output. Designed for medium to large workgroups, the Lexmark CS796de meets the demands of your busy color-printing environment. Vibrant, professional-quality output and the ability to print on a wide variety of media allow you to do more color printing in-house. With the advanced color laser technology of the CS796de you'll get excellent, consistent color from the first page to the last.

- Lexmark Extra High Yield Print Cartridge available, offering yields of up to 20,000* pages
- Print speeds as fast as 50 ppm in both black and color
- PANTONE® calibration for consistent color tones
- Named Color Replacement for easy color matching
- Lexmark Color Care Technology to manage color usage and control costs
- Instant warm-up fuser to help reduce energy consumption and improve time to first page

Flexibility. Choose from a variety of models to best serve your needs. Select from a number of expandability options and finishing features you would expect from more expensive products.

- Ultra-reliable paper feeding to support diverse media, including card stock, labels, UV-resistant outdoor media, banner media and more
- Robust output options, including a five-bin user-assignable mailbox, an offset stacker, a staple finisher, and a staple with hole punch finisher
- Input capacity expandable to up to 3,200 sheets with the high-capacity feeder and an extra drawer
- Connectivity and application solution cards allow integration into most IT environments

Easy and Intuitive. The Lexmark CS796de is designed for easy operation and maintenance.

- 4.3-inch color touch screen provides audible feedback to make completing tasks intuitive
- Print preview features help you select documents or specific pages within a document
- Directional lights on the device provide visual cues to guide you through tasks
- Ability to change settings such as duplex or stapling at the device
- Available device fleet management software
- Sleep Button and Hibernate Mode to reduce energy costs

*Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798.

Save time and money through solutions

Reduce unnecessary printing and simplify work processes through Lexmark solutions. The CS796de features the Lexmark Embedded Solutions Framework (eSF), our platform that enables you to add a wide range of software applications directly onto the device. Solutions are designed with your productivity in mind, helping you streamline—or even eliminate—paper intensive business processes.

Lexmark CS796de solutions

The right touch. The Lexmark e-Task color touch screen is a key access point to your device. The customizable 4.3-inch interface gives you the ability to preview thumbnails of documents prior to printing, as well as change print jobs at the device. You can even view, select and print specific pages within a document directly from the touch screen. Its easy-to-use, intuitive navigation provides fast access to the functions and shortcuts.

The following are solutions that come preloaded on the CS796de:

Showroom

Display a customizable, scrolling slideshow on the color touch screen to promote your business or products, or to communicate important messages to your customers or employees.

Eco-Settings

Choose from multiple print settings to help reduce energy, paper and toner consumption.

Background and Idle Screen

Change the touch screen background to your corporate logo, custom images, a unique message or select from preloaded screens.

Forms and Favorites

Eliminate waste and inefficiencies associated with preprinted forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

Lexmark CS796de color

Lexmark color. Enhance comprehension and brand credibility with color that helps your customers believe in—and remember—your products and services.

The Lexmark CS796de is perfect for printing reports, color spreadsheets and on-demand signage with brilliant color reproduction.

So when you put a high-quality color document in a client's hands, you're advancing communication and your company's image at the same time. With Lexmark color laser printing, the professionalism of your documents can finally match that of your company.

Lexmark's standard security features for your network, data and devices.

Output security has never been more important to businesses of all sizes. Lexmark's security functions include device management, device hardening and device operation. Strong multilayered security is built-in.

Device management tools include administrative access and passwords, HTTPS, SNMPv3, IP security (IPSec) and 802.1x support to remotely monitor and manage device usage.

Device hardening includes port filtering, TCP connection filtering, hard drive encryption, hard disk wiping, and digitally signed firmware updates which enhances the security of the device's network interface.

Device operation utilizes user authentication, address book lookup via LDAP over SSL and device lockout for protection of user information.

Lexmark has shown its strength and leadership with respect to security by:

- Forming and chairing the group that created the IEEE 2600 standards for security on hardcopy devices.
- Becoming the first hardcopy device manufacturer to take a holistic approach with the National Information Assurance Partnership (NIAP) Common Criteria evaluation.

Lexmark CS796de key features

Lexmark CS796de color laser printer shown with optional input drawers, finisher and caster base

Features that help you optimize your work

1) Intuitive color touch screen

The 4.3-inch color touch screen allows you to operate your printer with ease and confidence through smart and intuitive navigation, easy access to workflow solutions and shortcuts, and the ability to preview your documents and print jobs at the device.

2) Flexible output options

Choose from four output options, including a five-bin mailbox, an offset stacker, a staple finisher, and a staple with hole punch finisher.

3) Direct USB

A front USB port allows for convenient walk-up preview and printing and is compatible with most printable image file formats.

4) Lexmark solutions

Reduce unnecessary printing and simplify work processes through solutions applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

5) Expandable input

Print on multiple paper types and boost total capacity up to 3,200 sheets.

6) Long-lasting toner

The Lexmark Extra High Yield Print Cartridge delivers up to 20,000* pages, reducing interventions, cartridge waste and cost.

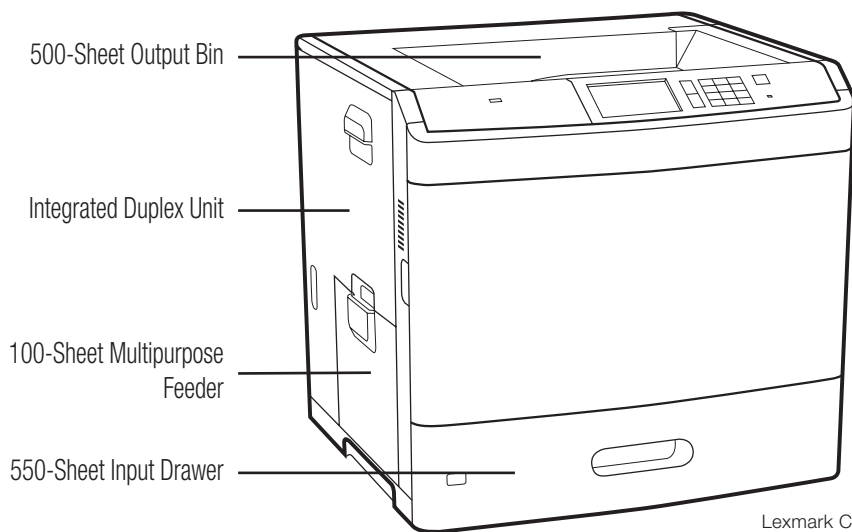

7) Eco-friendly features

Easy-to-access features make it easy to print responsibly, including Eco-Mode to reduce paper and toner consumption, and the Sleep Button to help you save energy.

*Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798.

	Contact your dealer about workflow solutions.

Recommended Monthly Page Volume

-Recommended Monthly Page Volume- is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.
