Top features

Manage documents and tasks with ease on the 8-inch color touchscreen. Use quick sets to launch one-touch workflows. Preview, edit, and zoom images prior to scanning. Centrally manage your environment. Protect sensitive business information.

Productive, easy-to-use desktop MFP

Help save money and minimize interruptions by using an optional, high-capacity Original HP LaserJet toner cartridge designed to provide greater value.² This MFP ships with a standard all-in-one Original HP LaserJet toner cartridge.

Meet the demands of enterprise work teams. A 600-sheet paper input—expandable to 1600 sheets—results in fewer trips to reload.¹ Enjoy the convenience of a built-in stapler.¹⁶ Print, copy, and scan at up to 42 pages per minute.¹⁷

HP ePrint—now you can print from virtually anywhere.³ And with AirPrint™ you can print from your iPad®, iPhone®, and iPod touch®.⁴ Use the easy-access USB port to print from—and save scans to—a USB drive.

Streamlined workflows and robust scanning features

Easily manage print, copy, fax, and scan jobs directly at the MFP. Use HP Quick Sets to launch one-touch workflows—including sending scanned documents directly to email, fax, or network folder—from the large, full-color touchscreen.¹⁶

Produce accurate, high-quality scanning results. Use image preview on the 8-inch, full-color touchscreen to add, delete, reorder, or zoom in on pages—and digitally send documents simply by touching the screen.

Improve efficiency by sending scanned documents directly to email, fax, or network folder.¹⁶ Built-in LDAP addressing simplifies email distribution. Use optional HP Digital Sending Software to enable advanced document capture and routing.⁵

Capture the right content more efficiently. Blank-page suppression technology on this MFP automatically detects and removes blank pages from scanned documents, resulting in reduced paper use.

Top-flight manageability and security features

Manage printing environments efficiently with award-winning

HP Web Jetadmin.⁶ Use HP Universal Print Driver for instant access to many HP devices.⁶ Optional HP Imaging and Printing Security Center software enables fleet-level security and compliance.⁷

Help secure sensitive business information. Advanced encryption safeguards data at rest on the MFP.¹⁴ Encryption of emails, PDFs, or printed jobs protects data in transit over the network.¹⁵

Help keep confidential information secure—require a PIN to retrieve print jobs. Add optional authentication solutions, such as badge and card readers, through the hardware integration pocket.⁸

Do more with your investment. The HP Open Extensibility Platform simplifies the development and deployment of HP and third-party solutions. HP FutureSmart Firmware lets you easily update and expand MFP capabilities as new features become available.

Outstanding energy- and paper-saving features

Save energy, using HP Auto-On/Auto-Off Technology—intelligence that can turn your printer on when you need it and off when you don't.⁹ Instant-on Technology¹¹ and Instant-on Copy¹² help conserve even more power when printing.

Collect data, control settings, and create useful reports to establish and help achieve environmental goals, using optional HP EcoSMART Fleet.¹⁰

Prevent wasted paper. Conveniently print on both sides of a page, using automatic two-sided printing. And with PIN printing, you can help ensure only authorized users are consuming resources.

HP helps you reduce your impact on the environment. Return Original HP LaserJet toner cartridges through HP Planet Partners for free, easy recycling.¹³ HP never refills or resells HP cartridges, and never sends them to a landfill.¹³

Get the most out of your printer with HP accessories, supplies, and services.

¹Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

²Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory. ³Requires an Internet connection to the printer. Feature works with any connected Internet- and email-capable device. Requires HP Web Services Account Registration. Print times may vary. For a list of supported documents, and image types, see <http://www.hp.com/go/eprintcenter>. And for additional solutions, see <http://www.hp.com/go/mobile-printing-solutions>.

⁴Supports the following devices running iOS 4.2 or later: iPad[®], iPad², iPhone[®] (3GS or later), iPod touch[®] (3rd generation or later). Works with HP's AirPrint[™] enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint Logo, iPad, iPhone, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. ⁵Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. ⁶HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. ⁷Measured according to ISO 7779, and declared in accordance with ISO 9296; values are subject to change. For current information, see <http://www.hp.com/support>. Configuration tested: HP LaserJet Enterprise 500 MFP M525dn printing simplex on A4 paper. ⁸Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Power consumption value in Auto-Off/Wake mode is for Auto-Off/Wake on network and depends on customer network switch capability, user configuration and network activity and may require a firmware upgrade. Off-mode power may vary while checking network packets for print jobs. ⁹Declared yield value in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit <http://www.hp.com/go/learnaboutsupplies>.

Configuration tested: HP LaserJet Enterprise 500 MFP M525dn printing simplex on A4 paper. ¹⁶Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Power consumption value in Auto-Off/Wake mode is for Auto-Off/Wake on network and depends on customer network switch capability, user configuration and network activity and may require a firmware upgrade. Off-mode power may vary while checking network packets for print jobs. ¹⁷Declared yield value in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit <http://www.hp.com/go/learnaboutsupplies>.
