Color Multifunction Printer
Up to 50 PPM
Medium/Large Workgroup
Copy, Print, Scan, Fax
Secure MFP
Customizable UI
 CONNECT, INTEGRATE, SIMPLIFY, AND MORE.

Technology for every workplace; delivering advanced functionality, ease of use, and peace of mind.

Every business is unique. That’s why Toshiba offers the latest customizable solutions that can be tailored to meet your needs. Toshiba solutions help you simplify complex tasks while managing diverse information—efficiently and safely to maximize your productivity.

Toshiba’s latest series delivers on our commitment to collaborate with clients to provide tailored, cost-effective solutions that meet your print, document management and content needs while helping you to meet your green objectives.

- 45 & 50 PPM
- High-resolution color
- High-volume black & white, and color
- Advanced e-BRIDGE Next technology
- Fast dual-core processor

Toshiba’s latest e-BRIDGE Next controller delivers exceptional color quality.

Don’t restrict yourself to black and white when you can print with eye-catching color. It’s Toshiba’s sophisticated color system with high resolution for top-notch image quality.

- Up to 3,600 (Equivalence) dpi x 1,200 dpi (BW/with smoothing, PostScript 3)
- 256 gradations for smooth transitions in photographs and illustrations
- Auto-calibration and user calibration ensure consistency of color across small and large print jobs

Elevate streamlines complicated multi-step processes into automated, one-touch functions.

We know you have work to do and at Toshiba we’ve introduced a new concept designed to make your job easier and more productive by personalizing the MFP user interface around your specific business processes.

Elevate enables customized and automated workflow presenting the user with convenient one-touch functions addressing only the tasks they use most. This results in simple operation and improved efficiency leading to an overall cost savings. Let Toshiba Elevate your productivity.

- Customize and automate workflows specifically around your business processes
- Boost productivity by reducing manual and paper intensive processes in the office
- Personalize the user interface by department to deliver the utmost efficiency
- Cost savings and greater efficiency through improved workflow and productivity
- Clear away clutter and confusion on home screen by presenting only the tasks used most

Simple, smart and stylish.

A larger 10.1” tablet-style touch screen with an embedded web browser is easy to use, and customizable to meet your needs, enhancing the sleek and modern look of the complete series.
Small footprint, Big business.

Even with a relatively small footprint, the e-STUDIO5015AC Series is packed with industry-leading technologies and innovations designed to help workgroups connect, integrate and simplify.

**Advanced e-BRIDGE Next Technology** enables the MFP to drive Toshiba’s internally developed solutions or those from a third party with ease.

**Dual-Scan Document Feeder** holds an amazing 300 originals and boasts an impressive 240 images per minute (IPM) by scanning both sides of the page in a single pass.

**Auto Skew Correction** ensures your scanned documents, using one of the document feeder options are reproduced accurately.

**Print Around** eliminates printing bottlenecks by allowing other print jobs to go around any being held-up for a specific paper size, media type or even color toner.

**Job Reservation** will queue up multiple copy or print jobs so users can send jobs whenever.

**Embedded Optical Character Recognition (OCR)** simplifies the creation of searchable PDFs or editable document formats such as Microsoft® Word™.

**Exclusive Water Proof Paper** water and tear resistant media up to 12” x 47” banner size.

**Saddle/Fold Capabilities** offer saddle-stitch finishing and the option to fold without stapling.

**12” x 18” Cassette** provides the ability to print stunning 11” x 17” full-bleed color on 12” x 18” paper.

**Notifications Feature** takes the hassle out of checking for depleted supplies or maintenance needs.

**Paper Volume Indicators** on the front panel make it easy to see the paper sizes, types and levels in each cassette.

**Service Module Design** significantly reduces the cost and time spent servicing the MFP.

**Print-from USB** lets you print PDF and JPG files straight from your USB drive and the MFP will scale documents to fit the available paper size if necessary.

**Scan-to USB** is great for capturing a file quickly when you’re on the go.

**Scan Preview** allows you to review your scanned documents digitally, even rotate and change pages prior to sending to file or email.

**Fax Preview** saves valuable resources by letting you view received faxes prior to printing them.
TOSHIBA TECHNOLOGY NEVER LOOKED BETTER.

Keeping medium to large workgroups in mind, the e-STUDIO5015AC Series is easily integrated, customizable and solutions ready with Toshiba’s Open Platform.

Complex tasks of the past are now a simple one touch button on your e-STUDIO control panel, thanks to Toshiba’s seamless integration with third-party solutions and the use of embedded web browser technology.

Toshiba’s exclusive e-BRIDGE Print & Capture application enables mobile device users to take advantage of the broad feature set of the e-STUDIO whether they’re in the office or on the go.

The Universal Print Driver is suitable for all users. Tandem print comes standard with your e-STUDIO, along with a variety of time-saving, function-adding plug-ins that enable productivity right in the printer driver. For instance:

- e-BRIDGE Job Point—quickly split up large jobs across up to 10 Toshiba MFPs
- e-BRIDGE Job Replicator—streamline the creation of multi-part forms and documents
- e-BRIDGE Job Separator—perform batch printing easily using any Windows® app
- e-BRIDGE Job Build—conveniently print different document types all together as a single job

Toshiba’s new e-BRIDGE Plus apps, including e-BRIDGE Plus for OneDrive® for Business, e-BRIDGE Plus for SharePoint® Online and e-BRIDGE Plus for Exchange Online let users scan to and print from Microsoft’s cloud-based services directly at the front panel of the e-STUDIO MFP or their mobile device. This includes Word®, Excel® and PowerPoint® (docx, xlsx, pptx) documents stored in OneDrive® accounts or SharePoint® locations. When combined with our embedded OCR feature, documents can be scanned into popular Office™ formats as well.*

With Google Cloud Print™ support, you can securely print over the web from anywhere, anytime—including your phone—to an e-STUDIO5015AC Series MFP, e-BRIDGE Plus for Google Drive®, e-BRIDGE Plus for OneDrive®, e-BRIDGE Plus for DropBox®, and e-BRIDGE Plus for box™ address all of the popular cloud-based mobility apps.*

Tight Security
Along with all of the new and innovative Toshiba technologies, we regard the security of your business a top priority.

- A 320GB Self-Encrypting Drive (SED) with Automatic Drive Invalidation (ADI) & Data Overwrite capability provides top level security
- Available FIPS 140-2 Validated SED meets and exceeds strict government requirements
- IPsec is available to securely encrypt data sent to-and-from the MFP

Environmental Protection
Innovation that is truly innovative makes certain that our environment is part of the equation, which is precisely what we do here at Toshiba.

- ENERGY STAR® V2.0 certified
- RoHS compliance, the use of recycled plastics, and Super Sleep (0.6W) Mode work to help the environment
- EPEAT Gold Registered for greener electronics, designed to help purchasers choose products that reduce environmental impact
- The new e-STUDIO models’ Typical [weekly] Electrical Consumption or TEC value is exceptionally low, equating to an environmentally friendly product with a low operating cost too
- e-BRIDGE Plus for Green Information provides users with a graphical display at the MFP of their environmental contribution to promote more effective use.

*Your network settings and/or access control may vary depending on network environment when installing e-BRIDGE Plus applications. For details, please consult Toshiba’s sales person.

**Available three applications: e-BRIDGE Plus for OneDrive® for Business, e-BRIDGE Plus for SharePoint® Online and e-BRIDGE Plus for Exchange Online
FEATURES, BENEFITS, AND THE WOW FACTOR.

1 Document Feeder Options
- MR4000 Dual-Scan Document Feeder (DSDF)
- MR3031 Reversing Automatic Document Feeder (RADF)
- KA5005PC Platen Cover

2 Accessory Tray & Options
- GR1330 Accessory Tray
- GR9000 Bluetooth Keyboard
- GR1340 10-Key Numeric Keypad

3 Finishing Options
- MJ1042 50-Sheet Inner Finisher
- MJ1109 50-Sheet Console Finisher
- MJ1110 50-Sheet Saddle-Stitch Finisher
- MJ5015 Job Separator

4 Additional Paper Options
- KD1058 Paper Feed Pedestal
- KD1059LT 2,000-Sheet Large Capacity Feeder
- MY1048 Additional Drawer Module for PFP
- MY1049 Envelope Cassette

Additional Option Highlights
- Multi-Station Print Enabler
- Embedded OCR Enabler
- Wireless LAN/Bluetooth
- IPsec Security Enabler
- Single & Dual-Line Facsimile
- Hidden Card Reader Pocket

The Toshiba e-STUDIO5015AC Series can increase the efficiency of your workgroups, improve the professionalism of your presentations, and streamline the workflow of your organization. And, that’s just for starters.

Double the Scan Speed
A 300-sheet high-speed, high-capacity Dual-Scan Document Feeder (DSDF) produces up to 120 IPM simplex and 240 IPM duplex. A conventional RADF is available for less scan-intensive businesses.

Envelopes—the Perfect Fit
A special envelope cassette is available to hold up to 60 envelopes, making sure each one is fed and printed in the same place, every time.

Volumes and Volumes
A high monthly copy volume is up to 210,000 for monochrome and 105,000 for color printing. Toner yields are 33,600 CMY and 38,400 K (at 5%) respectively.

Multi-Station Print Enabler
Toshiba’s internally developed Multi-Station Print Enabler, now with support of up to 50 e-STUDIO devices, allows users to send print jobs from their desktop and retrieve them by simply swiping their card and authenticating at any convenient MFP.

Advanced e-BRIDGE Next Technology
Built on Linux®, this latest generation e-BRIDGE Next architecture features an Embedded Web Browser, a dual-core processor, 4GB RAM, and a 320GB SED enabling the MFP to easily drive Toshiba’s internally developed solutions or even third-party applications.
